03 WEBSITE DESIGN & BUILD

04 SITE EDITS

05 ANALYTICS TRACKING

06 HOW PAYMENTS WORK

07 THANK YOU!

WEB DESIGN + BUILD

Service Includes:

Meeting to discuss content and design ideas,
project timeline and cost estimate

Customized backend
you decide what will be editable on your final site

Customized responsive multi page design that may include:
links to/embeds of social media, text and image based sections
*Examples of features: personal blog, photo or video gallery,
custom forms, payment widgets, the feature of your dreams*

Walkthrough of custom domain setup

Who Is This For?

You want a website that showcases
your brand, links to your platforms,
and includes a few special features

What Does It Cost?

\$100 base
+ \$50/page + \$50/feature

Compare to:

LinkTree Pro = \$9/mo = 108/year

Wix Light = \$16/mo = \$192/year

SITE EDITS

Service Includes:

Meeting to discuss the changes needed

Estimate of hours needed will be provided up front
note: most changes can be made in 30 mins-1 hour

Simple edits will be completed within 1-2 days
Complex edits will be completed within 1 week

Project complete upon client approval

Who Is This For?

Changes are needed to something
that's hard coded on your site

What Does It Cost?

\$20 per hour
(flat fee based on estimate)

ANALYTICS TRACKING

Service Includes:

Meeting to discuss the data points available and what matters most to you to include in the monthly report

Access to full analytics data through Matomo

Customized, auto-updating Cookie Policy on your site
required by law, normally \$10/month alone

Monthly analytics report by email that includes key data
as well as a handwritten analytical summary

Who Is This For?

You want regular updates about site performance and visitors

What Does It Cost?

\$10 per month

HOW PAYMENT WORKS

METHOD

An electronic payment method will be agreed upon during our initial meeting

You can choose to pay by:

PayPal
CashApp
Venmo
Credit/Debit
